

## Instruction

### School Wellness

Student wellness, including good nutrition and physical activity, shall be promoted in the District's educational program, school-based activities, and meal programs. This policy shall be interpreted consistently with Section 204 of the Child Nutrition and WIC Reauthorization Act of 2004 and the Healthy Hunger-Free Kids Act of 2010 (HHFKA).

The Superintendent will ensure:

1. Each school building complies with this policy;
2. The policy is available to the community on an annual basis through copies of or online access to the Board Policy Manual; and
3. The community is informed about the progress of this policy's implementation.

### Goals for Nutrition Education and Nutrition Promotion

The goals for addressing nutrition education and nutrition promotion include the following:

- Schools will support and promote sound nutrition for students.
- Schools will foster the positive relationship between sound nutrition, physical activity, and the capacity of students to develop and learn.
- Nutrition education will be part of the District's comprehensive health education curriculum. See Board policy 6:60, *Curriculum Content*.

### Goals for Physical Activity

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. See Board policy 6:60, *Curriculum Content* and Board policy 7:260, *Exemption from Physical Education*.
- All students will be required to engage in physical education course at a minimum of three days per school week, unless otherwise exempted. See Board policy 6:60, *Curriculum Content* and Board policy 7:260, *Exemption from Physical Education*.
- The curriculum will be consistent with and incorporate relevant *Illinois Learning Standards for Physical Development and Health* as established by the Illinois State Board of Education (ISBE).

### Nutrition Guidelines for Foods Available During the School Day; Marketing Prohibited

Students will be offered and schools will promote nutritious food and beverage choices during the school day that are consistent with Board policy 4:120, *Food Services* (requiring compliance with the nutrition standards specified in the U.S. Dept. of Agriculture's (USDA) *Smart Snacks* rules)..

In addition, in order to promote student health and reduce childhood obesity, the Superintendent or designee shall:

1. Restrict the sale of *competitive foods*, as defined by the USDA, in the food service areas during meal periods;
2. Comply with all ISBE rules; and

3. Prohibit marketing during the school day of foods and beverages that do not meet the standards listed in Board policy 4:120, *Food Services*, i.e., in-school marketing of food and beverage items must meet *competitive foods* standards.
4. Encourage students, parents, school staff, and community members who bring foods and beverages to school for parties/celebrations/meetings to provide healthful options and shall provide a list of recommended food and beverage options (Attachment A).
5. Encourage school personnel to use nonfood incentives or rewards with students and shall not withhold food from students as a punishment (Attachment B).
6. Physical activity during the school day (including but not limited to recess, classroom physical activity breaks or physical education) will not be withheld as a punishment for any reason (this does not include participation on sports teams that have specific requirements).

*Competitive foods* standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., brown bag lunches, foods for classroom parties, school celebrations, and reward incentives.

#### Exempted Fundraising Day (EFD) Requests

All food and beverages sold to students on the school campuses of participating schools during the school day must comply with the “general nutrition standards for competitive foods” specified in federal law.

ISBE rules prohibit EFDs for grades 8 and below in participating schools.

The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District’s related procedure(s), contact the Superintendent or designee. The District’s procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.

#### Guidelines for Reimbursable School Meals

Reimbursable school meals served shall meet, at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program.

#### Monitoring

At least every three years, the Superintendent shall provide implementation data and/or reports to the Board concerning this policy’s implementation sufficient to allow the Board to monitor and adjust the policy (a triennial report). This triennial report must include without limitation each of the following:

- An assessment of the District’s implementation of the policy
- The extent to which schools in the District are in compliance with the policy
- The extent to which the policy compares to model local school wellness policies
- A description of the progress made in attaining the goals of the policy
- How the District will make the results of the assessment available to the public
- Where the District will retain records of the assessment

The Board will monitor and adjust the policy pursuant to policy 2:240, *Board Policy Development*.

#### Community Involvement

The Board and Superintendent will actively invite suggestions and comments concerning the development, implementation, periodic reviews, and updates of the school wellness policy from parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the community. Community involvement methods shall align their suggestions and comments to policy 2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in policy 8:10, *Connection with the Community*.

Recordkeeping

The Superintendent shall retain records to document compliance with this policy, the District's records retention protocols, and the Local Records Act.
